

Plus Therapeutics Reports Third Quarter 2022 Financial Results and Business Highlights

October 20, 2022

Awarded \$17.6 million Product Development Research grant by the Cancer Prevention & Research Institute of Texas (CPRIT) to fund ¹⁸⁶RNL development for leptomeningeal metastases (LM)

Completed cGMP manufacturing objectives to support Phase 2 clinical trials for ¹⁸⁶RNL

Initiating ReSPECT-GBM Phase 2 trial for recurrent glioblastoma (GBM) in Q4 2022

Management to host conference call today at 5:00 p.m. ET

AUSTIN, Texas, Oct. 20, 2022 (GLOBE NEWSWIRE) -- <u>Plus Therapeutics. Inc.</u> (Nasdaq: <u>PSTV</u>) (the "Company"), a clinical-stage pharmaceutical company developing innovative, targeted radiotherapeutics for rare and difficult-to-treat cancers, today announced financial results for the third quarter ended September 30, 2022, and provided an overview of recent business highlights.

"The third quarter of 2022 was another period of significant progress for Plus Therapeutics, highlighted by the achievement of three key milestones," said Marc H. Hedrick M.D., President and Chief Executive Officer of Plus Therapeutics. "First, our CPRIT award of \$17.6 million substantially funds the LM program through Phase 2 for our lead investigational drug, Rhenium-186 Nanoliposome (¹⁸⁶RNL). Second, we moved ¹⁸⁶RNL toward a Phase 2 trial for recurrent GBM, which we expect to initiate in the fourth quarter of 2022. Third, we met our timeline for cGMP ¹⁸⁶RNL drug availability for all future trials. In addition, the combination of current cash, committed grant funding in conjunction with existing discretionary capital sources, secures our cash runway through 2025."

RECENT HIGHLIGHTS

- On September 9, 2022, Dr. Andrew Brenner, ReSPECT-GBM trial principal investigator, presented Phase 1 results from the ReSPECT-GBM Phase 1/2a dose escalation trial evaluating ¹⁸⁶RNL in patients with recurrent GBM at the European Society for Medical Oncology (ESMO) Congress 2022. The Phase 1 results demonstrated safety and a potential efficacy signal in heavily pretreated patients with recurrent GBM.
- On August 17, 2022, Plus Therapeutics announced the award of a three-year, \$17.6 million Product Development Research grant by the Cancer Prevention & Research Institute of Texas (CPRIT) to fund ¹⁸⁶RNL for the treatment of patients with LM.
- On August 29, 2022, Plus announced a summary of its Type C meeting with the U.S. Food and Drug Administration (FDA) regarding the CMC program for ¹⁸⁶RNL. The Company determined that it may proceed in utilizing its ¹⁸⁶RNL in its planned Phase 2 programs.
- On September 6, 2022, Plus announced a summary of its Type C meeting with the FDA regarding its clinical development program for ¹⁸⁶RNL for recurrent GBM. Based on that meeting, the Company plans to begin a Phase 2 trial of ¹⁸⁶RNL in patients with recurrent GBM, with a focus on small and medium-sized tumors. The Company will also continue exploration of both higher and multiple doses of ¹⁸⁶RNL.
- The Company initiated enrollment of Cohort 2 of the ReSPECT-LM Phase 1/2a dose escalation trial of ¹⁸⁶RNL in patients with LM.
- On October 18, 2022, at the 35th Annual Congress of the European Association of Nuclear Medicine (EANM), the Company presented data from two ongoing clinical trials evaluating ¹⁸⁶RNL in recurrent GBM and LM. The findings presented at EANM indicate the potential for ¹⁸⁶RNL as a safe, well-tolerated and promising radiotherapeutic for both GBM and LM.

THIRD QUARTER 2022 FINANCIAL RESULTS

- The Company's cash balance was \$20.3 million at September 30, 2022, compared to \$18.4 million at December 31, 2021. The Company believes that the current cash on hand, anticipated funding from the National Institutes of Health (NIH) and CPRIT and existing discretionary capital sources are sufficient to fund both its currently planned overhead and development expenses through 2025.
- Grant revenue of \$73,000 was recognized in the third quarter of 2022, which represents CPRIT's initial share of the costs incurred for development of ¹⁸⁶RNL for the treatment of patients with LM. The Company expects the first CPRIT grant funds of approximately \$1.9 million to be disbursed to the Company by October 31, 2022.

- Total operating expenses for the third quarter of 2022 were \$5.2 million, compared to total operating expenses of \$3.5 million for the third quarter of 2021. The increase is due primarily to incremental CMC spend, now winding down, related to the development of GMP ¹⁸⁶RNL drug and key regulatory consulting activities. In addition, to a lesser extent, the Company had a forecasted increase in litigation, legal, professional fees and other general corporate expenses.
- Net loss for the third quarter of 2022 was \$5.2 million, or \$(0.19) per share, compared to a net loss of \$3.7 million, or \$(0.28) per share, for the third quarter of 2021.

UPCOMING EVENTS AND MILESTONES

During the remainder of 2022, the Company expects to accomplish the following key business objectives:

- ReSPECT-GBM Phase 2 clinical trial initiation
- Present updated data from the ReSPECT-GBM and ReSPECT-LM trials at the Society for Neuro-Oncology (SNO) Annual Meeting and Education Day, November 17-20, 2022
- Complete Cohort 2 of ReSPECT-LM Phase 1/2a dose escalation trial
- Submit an Investigational New Drug (IND) application to the FDA for the study of ¹⁸⁶RNL in patients with pediatric brain cancer (ReSPECT-PBC), ependymoma and high-grade glioma
- Complete certain key CMC and IND-enabling studies for ¹⁸⁸RNL-BAM

Third Quarter 2022 Results Conference Call

The Company will hold a conference call and live audio webcast at 5:00 p.m. Eastern Time today to discuss its financial results and provide a general business update.

A live webcast will be available at ir.plustherapeutics.com/events.

Participants may also pre-register any time before the call <u>here</u>. Once registration is completed, participants will be provided a dial-in number with a personalized conference code to access the call. Please dial in 15 minutes prior to the start time.

Following the live call, a replay will be available on the Company's website under the 'For Investor' section. The webcast will be available on the Company's website for 90 days following the live call.

About Plus Therapeutics

Plus Therapeutics, Inc. is a clinical-stage pharmaceutical company focused on the development, manufacture, and commercialization of complex and innovative treatments for patients battling cancer and other life-threatening diseases. Our proprietary nanotechnology platform is currently centered around the enhanced delivery of a variety of drugs using novel liposomal encapsulation technology. Liposomal encapsulation has been extensively explored and undergone significant technical and commercial advances since it was first developed. Our platform is designed to facilitate new delivery approaches and/or formulations of safe and effective, injectable drugs, potentially enhancing the safety, efficacy and convenience for patients and healthcare providers. More information may be found at <u>PlusTherapeutics.com</u> and <u>ReSPECT-Trials.com</u>.

Cautionary Statement Regarding Forward-Looking Statements

This press release contains statements that may be deemed "forward-looking statements" within the meaning of U.S. securities laws. All statements in this press release other than statements of historical fact are forward-looking statements. These forward-looking statements may be identified by future verbs, as well as terms such as "designed to," "will," "can," "potential," "focus," "preparing," "next steps," "possibly," and similar expressions or the negatives thereof. Such statements are based upon certain assumptions and assessments made by management in light of their experience and their perception of historical trends, current conditions, expected future developments and other factors they believe to be appropriate. These statements include, without limitation, statements regarding the following: the potential promise of ¹⁸⁶RNL including the ability of ¹⁸⁶RNL to safely and effectively deliver radiation directly to the tumor at high doses; expectations as to the Company's future performance including the next steps in developing the Company's current assets; the Company's clinical trials including statements regarding the timing and characteristics of the ReSPECT-GBM and ReSPECT-LM clinical trials; possible negative effects of ¹⁸⁶RNL; the continued evaluation of ¹⁸⁶RNL including through evaluations in additional patient cohorts; and the intended functions of the Company's platform and expected benefits from such functions.

The forward-looking statements included in this press release are subject to a number of risks and uncertainties that may cause actual results to differ materially from those discussed in such forward-looking statements. These risks and uncertainties include, but are not limited to: the Company's actual results may differ, including materially, from those anticipated in these forward-looking statements as a result of various factors, including, but not limited to, the following: the early stage of the Company's product candidates and therapies, the results of the Company's research and development activities, including uncertainties relating to the clinical trials of its product candidates and therapies; the Company's liquidity and capital resources and its ability to raise additional cash, the outcome of the Company's partnering/licensing efforts, risks associated with laws or regulatory requirements applicable to it, market conditions, product performance, litigation or potential litigation, and competition within the cancer diagnostics and therapeutics field, among others; and additional risks described under the heading "Risk Factors" in the Company's Securities and Exchange Commission filings, including in the Company's annual and quarterly reports. There may be events in the future that the Company is unable to predict, or over which it has no control, and its business, financial condition, results of operations and prospects may change in the future. The Company assumes no responsibility to update or revise any forward-looking statements to reflect events, trends or circumstances after the date they are made unless the Company has an obligation under U.S. federal securities laws to do so.
